

# Installation Instructions

Roaming Standard

## How to Install ScheduleCleaner™?

---

To start the installation of ScheduleCleaner™ double-clicking on the setup file or use the “Run” command from Start menu.

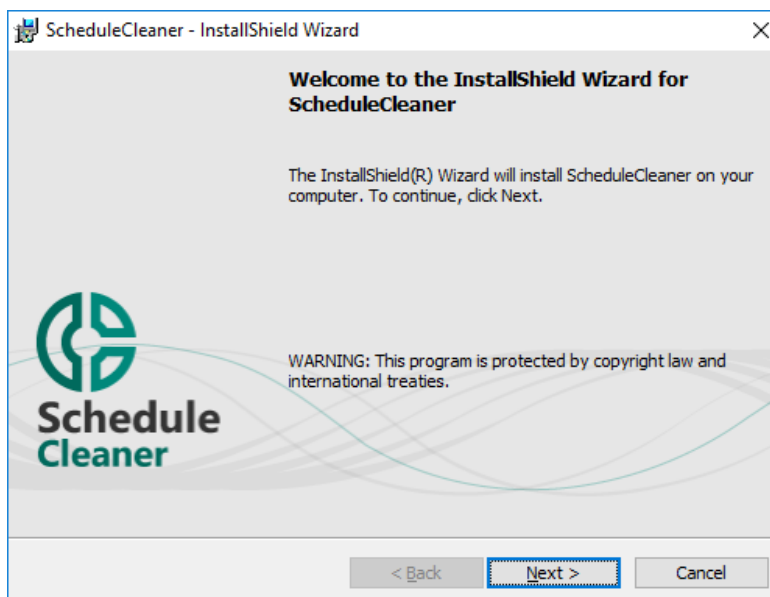

In order to install the application, you will need Administrator privileges on your device.

**Note:** ScheduleCleaner™ runs on all supported version of Windows.

### Step 1: Setup Welcome

---

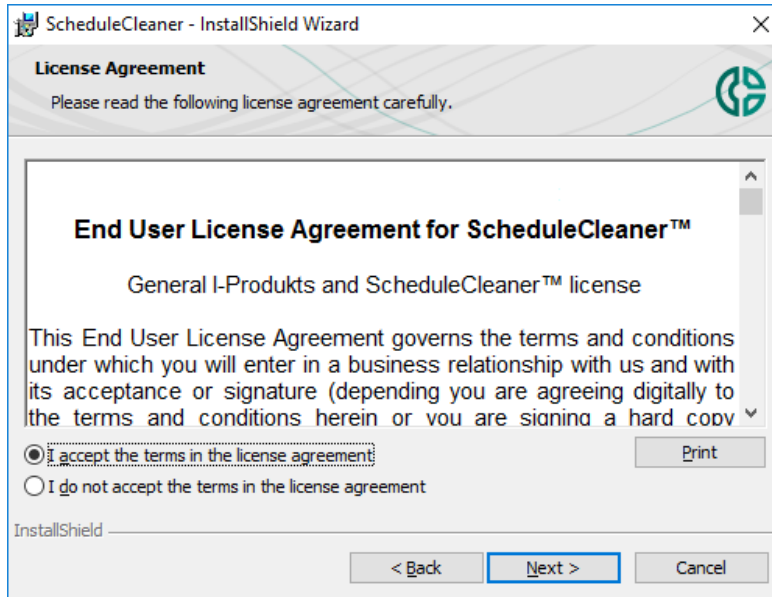

Once setup is run, the initial preparations for installation begins. The setup wizard will display the Welcome dialogue box from where you can select **Next** to continue, or Cancel if you want to exit the setup.

### Step 2: License Agreement

---

License agreement shows the end user license agreement for using ScheduleCleaner™. Read it carefully and if you agree select “**I accept the terms in the license agreement**”, otherwise, Cancel the installation wizard.

### Step 3: Destination folder

---

Select a destination folder where ScheduleCleaner™ to be installed on your PC. By default, it is installed in: **C:\Program Files\ScheduleCleaner**. If you want to install application on another location click on the **Change** button.

## Step 4: Ready to install the program

---

When you have defined with your setup preferences for ScheduleCleaner™ click on **Install** button or go Back to change any setting.

## Step 5: Progress

---

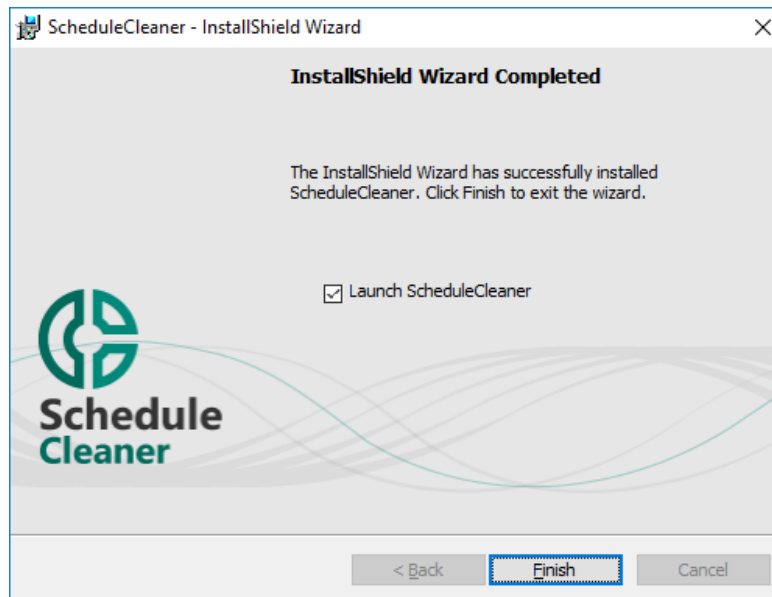

You can see the progress in the Installation dialog. You can stop the installation by click on Cancel button. This will roll back the installation and remove all data related to this product on your device.

## Step 6: Setup Completed

---

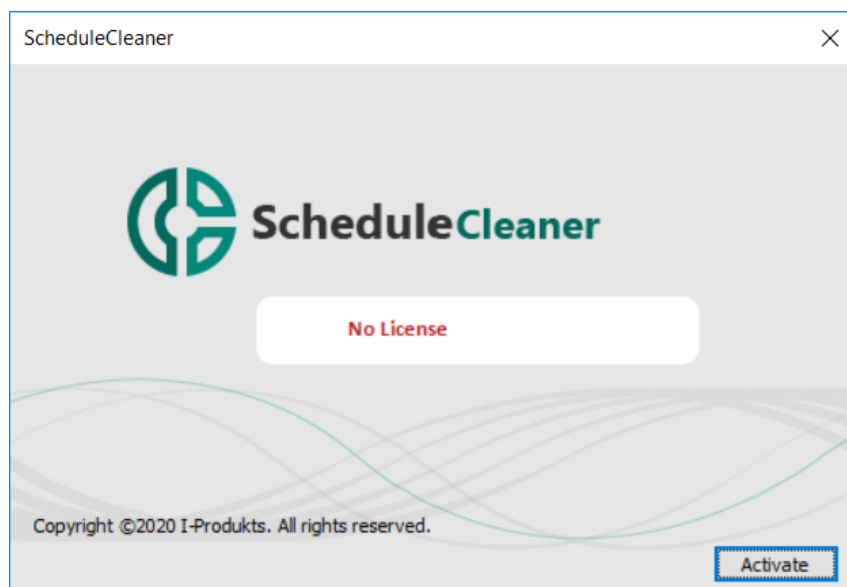

Once installation is completed you will get a message that application is successfully installed on your computer. Click **Finish** to open ScheduleCleaner™.

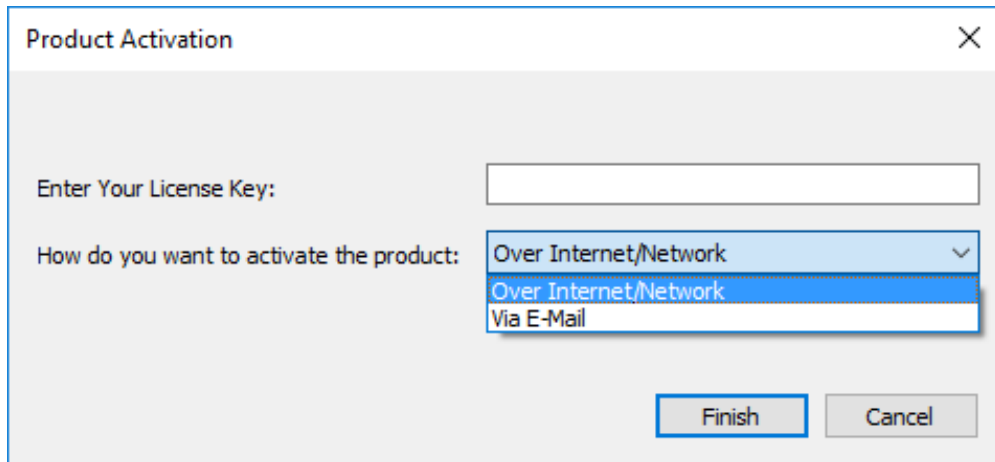

## Step 7: Product Activation

---

In order to start working with ScheduleCleaner™, you should activate the application by providing your License key.

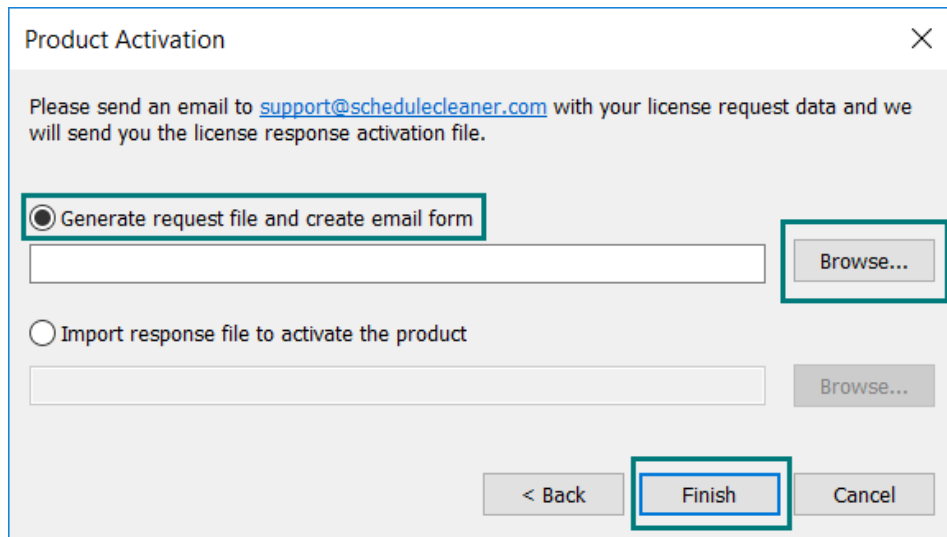

Product activation can be performed:

The dialog box titled "Product Activation" contains a text input field for "Enter Your License Key:", a dropdown menu for "How do you want to activate the product:" with options "Over Internet/Network" (selected), "Over Internet/Network", and "Via E-Mail", and "Finish" and "Cancel" buttons.

- **Over Internet/Network**
- **Via Email** – send an email at [support@schedulecleaner.com](mailto:support@schedulecleaner.com) along with your **Request File** that is automatically generated by the application and wait our support team to send you the **Response File** for activation.

The dialog box titled "Product Activation" contains the instruction: "Please send an email to [support@schedulecleaner.com](mailto:support@schedulecleaner.com) with your license request data and we will send you the license response activation file." It features two radio button options: "Generate request file and create email form" (selected) and "Import response file to activate the product". Each option has a corresponding text input field and a "Browse..." button. The "Finish" button is highlighted with a red box.

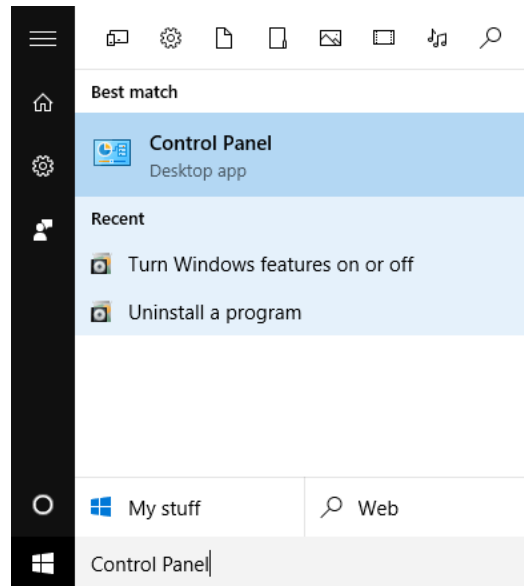

**Note:** If you reinstall the operating system on your device, change any computer components or change your computer, you will require a new installation of the product. In this case, please contact our Customer Service representatives on [support@schedulecleaner.com](mailto:support@schedulecleaner.com) to help you reactivate your license for ScheduleCleaner™.

## How to Uninstall ScheduleCleaner™?

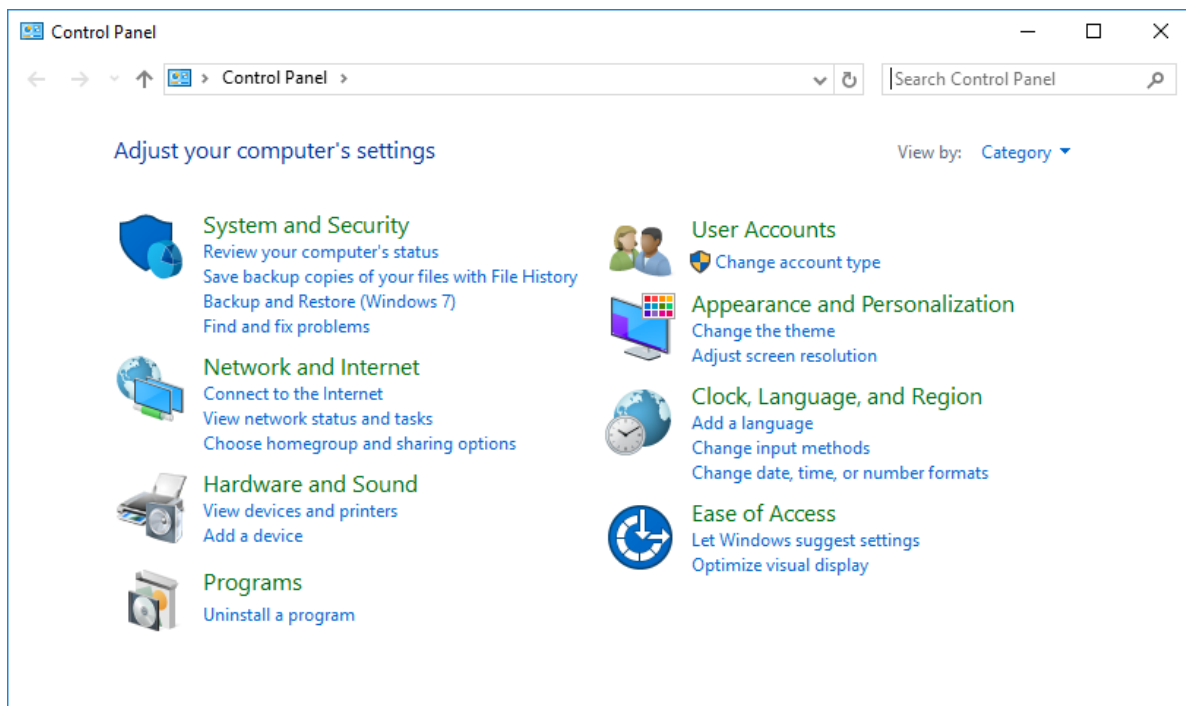

---

To uninstall ScheduleCleaner™ follow these steps:

1. Right-click the **Start** button and choose the **Control Panel** from the pop-up menu.

2. When the Control Panel appears go to **Programs and Features** category and choose **Uninstall a Program**.

3. Find the **ScheduleCleaner™**, click once to select it, and then click **Uninstall**.
